Happy Holidays from the HPEHOA Board of Directors
David Handowski, President
Craig Thompson, Vice-President
Steve Baer, Treasurer
Daniel Mitchell, Secretary

Watch your mailbox mid-January for Annual Assessment notices which will include your copy of the Minutes from the HPEHOA Annual Meeting held on November 19th.

If you have services (tutoring, voice lessons, etc.) that you want your neighbors to know about, you can email Claudia at info@hpehoa.com and it can be included in the next newsletter!

Safety/Security Reminders: Local schools are on Winter Break and temperatures are mild, so when you're driving, please watch for children playing.

If your family will be away over Winter Break, please remember to have your outside lights come on at dusk/go off at dawn (photoelectric cells make this easy), put some of your house lights on timers, and hold the mail and newspapers. It is also a good idea to let your closest neighbors know that you'll be gone so they can keep an eye out for suspicious vehicles or persons in your absence.

A note from Dane County Executive Joe Parisi

Recently, I signed my 2016 Budget for Dane County. My budget focuses on providing our critical core services while expanding partnerships to better our community.

My budget includes the strongest efforts yet by Dane County to address mental illness. I am expanding our mental health teams to more schools across Dane County in partnership with local schools. Early intervention is key to both preventing and knocking down the barriers that come with mental illness. I am also creating Community Crisis Teams to help law enforcement respond to mental health crisis situations available 24/7.

My budget continues our commitment to cleaning up our lakes through partnerships and conservation.

Homelessness is a complex problem that no one entity can solve. We are continuing our work with the Homelessness Consortium and investing millions in direct services to our homeless population. I am also doubling our Eviction Prevention Fund which successfully kept 266 kids in their homes last year.

This budget furthers our work of criminal justice reform by creating a “Re-entry Team” in our Dane County Jail. We will assess inmates and make an individualized plan for each inmate. A successful re-entry reduces their risk of returning.

70 percent of Wisconsin’s population growth happens in Dane County, as does 56% of Wisconsin’s private sector job growth. We consistently have the lowest rate of unemployment in the state.

We are a thriving, growing community, with unlimited potential. While we are certainly not without our growing pains, I am proud of the manner in which our community faces its challenges head on. We will get there, and we will get there together - with respect; with spirited debate, and through partnering, together– the Dane County Way.
