

HIGH POINT ESTATES

HELP NEEDED!

The HPEHOA Board of Directors needs your help! There are positions on the **Board of Directors that need to be filled this fall.**

Please contact info@hpehoa.com for details or to let the Board know you're interested.

Save the Date!

The HPEHOA Annual Meeting will take place at the Alicia Ashman Branch of the Madison Public Library on Thursday, November 16, 2017. Details in your mailbox in early November.

Pictures from the Shaved Ice Bash on August 18th. We had a wonderful turnout, notwithstanding the slightly cooler-than-normal weather!

Seeking Hosts!

Our neighborhood Halloween Party cannot happen without a willing host family! If you love to decorate for Halloween and have outside space that we can utilize on October 22 (late afternoon) for the party, please let us know at info@hpehoa.com. The Social Committee will bring games, food & drink, treats for the kids, and capable helpers, but we need a place to make it all happen. Please consider hosting this traditional neighborhood event. If you have any questions or need details, please contact info@hpehoa.com. Thanks!

Did You Know?

Your neighborhood directory lists information for repairing or replacing your mailbox post! Dan Deegan can be reached at 444-4772. Page 3 of your directory lists his number!

Your Actions Have Ripple Effects

Protect Dane County Lakes, Rivers and Streams

Leaf-free Streets Rain Alerts -

Sign up!

Keeping our streets leaf-free before the rain can have a Ripple Effect on our waters! Sign up to receive alerts reminding you when rain is on the way and it's time to take action. Alerts will be texted 1-2 days before a rain event reminding you that it's time to remove street leaves. *Alerts will only be sent between Oct. 1st – Nov. 30th* during peak leaf fall.

This program is only available to Dane County residents or businesses.

Rain that runs off roofs, land and pavement travels through storm sewers and ditches to our lakes, rivers and streams.

Stormwater runoff carries excess nutrients like phosphorus with it, which can **turn your lakes green and smelly**.

The way to protect and clean your lakes and streams is to make sure only rain—and nothing else, including leaves —goes into the storm drains and ditches!

If you need to contact a member of the Board of Directors or the HPEHOA Administration, please send your email directly to

MSCR DAY TRIPS

Fall 2017

Explore Milwaukee, Cedarburg and Chicago with MSCR!

Art & Wine in Historic Cedarburg

Join us for a trip to historic Cedarburg, WI.

Tour the Wisconsin Museum of Quilts and Fiber Arts located on an 1850's farmstead. Explore the charming historic downtown on your own before a group tour and wine tasting at the Cedar Creek Winery housed in a restored 1860's woolen mill. Visit their underground limestone cellars, learn how the wines are made, aged and bottled and then enjoy a wine tasting in their tasting room. The cellar and three floors of shops are only accessible by stairs. Fee includes motor coach transportation, admissions and lunch. Bus departs from LaFollette High School.
